FOOTBALL

The football program is gaining incredible momentum as we march down the field toward our fall 2013 kickoff. Our first recruiting class represents the kind of student-athlete that will make Panther fans across the country proud. High character young men who are strong students as well as gifted athletes.

We're anxious to begin competition in the prestigious Gulf South Conference. With a conference television contract and the incredible exposure it brings, Panther Football will soon be seen in households across the Southeast!

A rock solid foundation is being firmly put into place and Panther Football is off to a roaring start, but we need your help! By joining the football booster club, your financial assistance can help our fledgling program as we prepare for our inaugural season. Please help our student-athletes by joining and by asking your friends and family to participate as well!

Florida Tech Football 2013 ... Will You Be Part of It?

Go Panthers!

John Thomas, Director of Football Operations

My welcome to Florida Tech and to the Melbourne community has been extremely warm and enthusiastic, giving me a gigantic boost.

We are off to a lively start with our alumni, faculty, staff and students ready to embrace the new football program. We're excited about competing in one of the strongest Division II football conferences in the nation, the Gulf South Conference.

I challenge our student-athletes each day, both academically and athletically. I will work hard at growing our fan base and you can help. Please join the huddle today by becoming a football booster club member.

The tradition begins now!

Steve Englehart, Head Coach
